AUSTRALIAN MAMMALS IN COLOUR

For many years the lack of illustrations in colour of our unique mammals at a reasonable price has been deplored. Now, there is available, in the form of postcards, a series of six beautiful pictures by the well-known artist, Miss E. A. King.

The subjects chosen are representative, and comprise—

PLATYPUS (*Ornithorhynchus anatinus* Shaw).

RED KANGAROO (*Macropus rufus* Desmarest).

LESSER OR SHORT HEADED FLYING PHALANGER (*Petaurus breviceps* Waterhouse).

KOALA OR NATIVE BEAR (*Phascolarctos cinereus* Goldfuss).

THYLACINE, TASMANIAN WOLF OR TIGER (*Thylacinus cynocephalus* Harris).

COMMON NATIVE CAT (*Dasyurus viverrinus* Shaw).

Each card is complete with descriptive matter.

The series of six, in stout envelope, one shilling per set (posted, 1/1).
