Telegraphic Address: "LECTURING, BIRMINGHAM."

SAY YES, PLEASE.

When yesterday I asked you, love,
One little word to say,
Your brother interrupted us;
So please say yes-ter-day.

HEADINGLEY WESTLEYAN INSTITUTE. — On

Friday evening a lecture was given by Mr. Edgar Waite, of the Leeds Museum, on the birds, animals, reptiles, and fishes which belong to the tribe of mammalia. Aided by the limelight, he gave his appreciative audience much interesting information on the subject. Councillor Slater presided.

all came home to-
gether - So day
Mr Rhodes asked me
if I could enlarge
2 photos for him

I said I would
try & he promised
to send the prints
to the Museum - he
also asked me
if I would give
a lecture at the
Beaumont Congregation
So - I gave him no
definite answer but
he said I should
hear further about
it: Gurnell called
at the Museum &
we went together

wrote out my report
of Monday's doings
for Walker L.N.C.

Took the birds back
to Scott but do
not stay with him
6th Mrs. Stuart sent

me a Kerou from
Westport shot on 2nd
Grassham did not
turn up yesterday
afternoon but left
a note saying he had
been called to Bradford
- today he told me
that his brother had
disappeared on Monday
& had not been heard
of since but they
understood that he
had gone to Bradford
to enlist - however

now
They received a
letter to day from
York where he had
enlisted in the Militia
he is just 20 -

Grassham came to
the Museum this
afternoon in great
trouble & said his
Father wanted him to
leave in order to take
charge of the Workshop
his brother having
done that before -

I went on to see

Mr. Grassham found
both him & his wife
very much "cut up"
& I asked him to leave
the matter over for
a day or so.

7. My Cousin, Wm
Carr came to the
Museum with father
this morning & will
call at 5.0 to go
home with me.

Received proofs of
Miss Green's photos
from Winterhalter

now
Received a letter fr
Hy B Booth asking
me for a lecture
before the Bradford
Naturalists' Society -
Gunnell came at
noon to German &
asked me to have
dinner with him
on Sunday - wrote
to Clarke & told
him about Grassham
& also reported the
matter to the Secy
Roebrick called &

left me a Nom-
-ination form &
abstract of rules
of Linnæen Socy.

I arranged to help
him tomorrow noon
with the YMU papers.

Before leaving the
Museum Slater called
& asked me if I would
give the Wesleyan
Society at Headingby
an evening during
the coming session
this I provisionally

now
promised to do -
At 5.0 My cousin
called & we went
together to Headingley
he left soon after
10.0 & I walked with
him to Reservoir & it
he was down here on
business & was pressed
for time but promised
to call at Museum
tomorrow. Ack^d
receipt of Heron
from Mr Stuart -
8. Replied to the

Letter from K.B. Booth

Montpelier Ter + saw
Prof Meall. with respect
to a few matters he
asked me to call on
Mr Hargrove which
I did re Museum
lectures I then went
to the College + saw

the Secretary- Put ^{now} bottoms on my egg boxes - At noon I went w/ winterhalter & gave him instructions re Miss L' photos Called on Birch & brought away the Pope then went to the Mechanics to help Roebuck with the Ynu work he asked me to allow some circulars to be addressed to me.

In the afternoon Mr
Hargrove called &
we arranged the
Museum lectures
& Bills my to be
a week tomorrow
Nov 16th. Had Heron
to dinner rather dry
I met Mr Hargrove as I
was going to Museum
& agreed to print the
lecture Bills took a
number of Egg clutches
down & put them into
the egg boxes. W Carr

came to his ^{now} me good
bye I took him rapidly
down the Museum &
showed him a few
of my skins letter
from A. Kershley enclosing
syllabus of Kershley
Nat Club asking me
to tea on the 21st. In
the afternoon I went
to the farm but got
only one shot *Turdus*
ilicurus saw *Corvus*
cornix - Wood told me
he had seen 4 there

10 Did not go to Kirk
to day. In the Morning
enlarged photos of Self
with the New Camera
& went to dinner to
Gunnell calling on
my way at Moor
Crescent Rd. While
& dinner Mr. McCornack
came with a little
boy, we had a walk
past Middleton & when
we got back I had
hoped to do some
ferman but the

Nov

prompts was too
reluctant to allow
any work to be done
stayed until about 9.
11. Had arranged to
meet Roebuck at noon
but being pressed by
Museum lecture bells
I was unable to do
so. Did not go to Club
at night. Saw Slater
who told me he had
fixed my lecture for
Friday the 29th Nov^r
12 At noon I went to

See Birch then to the
Market but did not
get anything Birch
asked me to go on - on
Thursday at 5 to meet
Hainsworth. Made up
several clutches of eggs.
At night I found that
"everybody" was going
to Hamiltons & wanting
me to join them, Father
Mrs Hartley Major Green
his daughters & myself
went to see the famous
Baldwin Monkey &c.

Nov

Took home from Museum
"Flora of West Riding"
"Brachiopoda" + "Vegetable
Physiology" all by
Miall - Poebuck sent
me circulars + invitation
tickets for me to send
out for Hall meeting
13 Miall came to the
Museum today + told
me that the Council
had agreed to allow
photos + casts to be
taken of the Greek
inscriptions I went

to see Birch who as
usual suggested that
I should try myself,
he wd help me and
wd lend me his Ox.H₂
lantern for the photos
I arranged to have tea
with him on Friday we
then to go together to
the Museum. Sent Aort
to the papers for a boy
wrote out qualification
required - Told Miall
about F.H.S. & he
promised to Subscribe

Now

his name to my
nomination paper
letter from J J Banks
with reference to the
same subject I also
told Roebuck what
I had done in the
matter - Miall asked
me to make a plan
of the Museum for
which purpose I asked
Brownrope for a tape
which he lent me &
asked me to join the
executive to tea at

YmU

[40]

The Curator on Sat.
Told Mall about
depositing my eggs
in the Museum he
Suggested that I should
allow the Society to
purchase them, this
of course I did not
agree to but Told him
they could have my
duplicates - he quite
agreed to this & asked
me to be on the look
out for other specimens
Sent out circular

^{now}
for Hull meeting Yna
wrote to Mr. Bell -

21 Caroline Pl. Charles
St Hull + told him
I would call on him
next Wednesday. This
day I finally decided
to go in for the FLS
14. Took camera to the
Museum - Made plan
of Museum from sundry
plans in the building
Gunnell came at noon
we had a further
turn at German;

Hektographed qualifications
of Boy for Museum
many of which called-
promised Grassham that
I would give him my
double barrelled musse
loader. Made plan of Mus =
15. Went to tea with
Birch as arranged. I
had borrowed a full
plate camera from
Branson it was a
second hand one &
charged with 6 plates
as it had just been

^{now}
So I promised to
return it in the
morning. After tea
Burch & myself went
to the Hall lighting
the stone tables with
the lime light we had
first a shot with
2 minutes this was
certainly under ex =
the second 5 minutes
appeared to be fogged
the 3rd plate was cracked
so with the remainder
I took one each of

the 3 tablets I gave
them 10 minutes the
smallest stop being
used throughout - As
it was 10.30 before
we finished we left
development over
until tomorrow

16 Took the 3 plates to
Ramsden but he had
not time to develop
them for me, Returned
the camera to Branson
& the Oxygen to Birch
went into the Market

but bought nothing
letter from Clarke to
which I replied he
sent me "Practical
Taxidermy" - In the
afternoon I brought
the Muses Green to the
Museum & gave my
lecture before a fair
audience - Furnell
turned up & walked
home with us as far
as Hyde Park -

17 I went down to the
Museum to take the

weather from Thence
to H H C. In the
afternoon I took the
Misses Green for a
walk to Kirkstall &
Cookridge & at night
went to Kirkstall Ch &
\$8. At noon Father
called & I went with
him to see some pictures
at Heppers, saw Roebuck
In the Afternoon Miall
came down. We arranged
to see the boys on Friday
10 to 12 & 7 to 8 -

Mr Husband told me that
Blackburn the Editor
of Academy Notes who
lectures here tomorrow
wants some one who
would allow themselves
to be dressed in Algerian
costume & asked me if
I would object. I did
not give him a definite
answer. I had left
all the pupae which
I obtained & bred this
year in a ventilated
box with a glass cover

I must have left the
cove off the last time
I looked at them for
so I found it & every
pupa had disappeared
a grand feed for some
tit no doubt. Grassham
called & asked me to go
out with the gun to-
morrow morning. At
6.30 I attended Council
Meeting of L.N.C. and
brought before the
Council a proposition
to change its mode

Nov

of election My pro-
posal was lost at
7.30 Stubbins on
Stylops Spencer
19 wrote to Alex^r
Keighley & accepted his
invitation to tea on
Thursday. Grassham
did not turn up so
I went to the farm &
hit a Magpie but lost
it in the fog. I had
been arranging things
for Blackburn in the
afternoon & Birchall

who was to be his
host asked me up
to dinner Moorland Rd
after which we went
down to the lecture
during which one of
the Elec fuses acted +
put out our light
we soon had another
fitted however. The
lecturer wanted a man
with a black beard for
a model but no one
presented. When Husband
was asked for he kept

Nov

very quiet in a corner
20 Called at Jimmy
Bank on my way
to the Museum & asked
Roeback to call he
did so with Knubley
& they asked me to go
with them to Hull at
10.55 I pushed on with
my work & did so &
after arriving we went
to the Royal Institution
& thence to the Crown
Anchor where Mr
Selvon the propr^r

a member, gave some
of us our drivers
I then went on to
Parliament St &
called at Mr Bells
office but found he
had gone home so
I went on to Caroline
Place & saw Mr & Mrs
Bell they invited
me to tea went back
to Royal Inst & did
our business - I went
to tea & came back
at 7.0 when I was

now
introduced to Dresser
& on Raebuck's appli-
cation he promised
to propose me F.L.S.
On my way I pass'd
a poulterers shop &
saw 10 Squirrels there
I got 2 for 1/- during
the meeting the Sec
of the Dewsbury Nat
Club asked Raebuck
for a paper this he
deputed to me & at
Leeds Station I was
asked by Lee &c &c

promised them one
early next year
I took all reports at
the meeting & read
Kert Sec: Backhouse
turned up after &
went with us as far
as Selby we left Hall
at 8.40 I promised
Backhouse to get him
his "Shrikes" from
Scott he had written
all over for it -
having forgot to
whom he had lent

it - got photos ✓
from Winterhalter
21 got negatives which
Ramsden had developed
for me & took them to
Branson he said they
would print well &
intensified one of
them for me. Sent
name of a new
member of Geol Soc
to Adamson - Furnell
came at noon & we
had a "go" at German
Before I went to the

Museum in the morning
I called at Scott's
house & got Bagdassoff's
daniidae from him
which I sent to
Backhouse. At 5-10
I left Leeds for Keighley
& had tea with Alex
Keighley who showed
me some recent photos
including some to
be printed in the
Amateur Photographer
Christmas Number
Proofs of which he

^{now}
received White I
was there at 8.0
went to Mechanics
Inst & gave them 'Life
of Mammals. a poor
attendance (about 40)
left at 9.37 & got
off at Kirkstall -

5/- for expenses -

~~22~~. Dooten sent me some
sternums including
White tailed Eagle
for which he charged
me 5/3 with postage.

22 Examined Boys at

Hall this morning.
Called on Birch at
noon he gave me
some intensifying
solutions. Skinned
the 2 Squirrels, and
intensified one of the
negatives. At night
I went down to the
Hall 7 to 8 + interviewed
boys etc. & in going
home when I got to
Leadbury Hill met
the Major + walked back
with him to Hyde Park

When I got home I
found K G Blades
there he will see me
at Museum tomorrow
23 Preserved Squirrels
young Blades came to
the Museum I went
into the Market & got
an Eider for 3/- on
condition that I left
it until Monday for
show. I walked home
last night as far
as Hyde Park with
Miall & in the course

of our talk he
mentioned Birds Skins
& said the Society ought
to have a collection
suggesting that I
might ~~left~~ them have
mine for a consideration
As with the eggs I
told him I would
part with my duplicates
This afternoon I
stayed in town &
attended Wagers' lecture
at Museum subject
Green Leaves - Sent

5/- to Luten for ^{now} Sternum
worked out duplicate &
Skins.

24 Breuch took the
weather for me HHC
in the morning & after
dinner I went to
Fallowfield Terrace as
promised & as it was
a very bad night I
stayed

25 HWW & myself got up
at 7.0 & walked to
Harehills Lane & back
before breakfast &

then went down to
the Museum got my
Eider Duck from the
Market & skinned it
finished plan of Hall
At 3.0 W.H.W. called &
he Miss Bowditch & Self
went to Art Gallery
where we met Miss Raper
Miall came to the
Museum & mentioned
that the Society thought
of buying a lantern
so I would like to
know if I would

Nov

operate it + at the
same time instruct
the new boy how to
use it. I to be paid
5/- for each attendance
I told Miall that I
should not object if
the boy seemed likely
to be able to work it
after some tuition -

At night had a walk &
