WILDLIFE PHOTOGRAPHER OF THE YEAR

Detail © Lee Slabber

This popular exhibition features evocative animal portraits and spectacular wildlife images that stir the imagination, tug at the heart strings and engage the minds of visitors of all ages.

Together these vivid images combine to create a powerful exhibition that plays an increasingly crucial role in raising awareness of conservation issues and the fragility of our natural world. With images taken by professionals, amateurs and children – some as young as 10 years old – *Wildlife Photographer of the Year* showcases the best wildlife photographs from all around the world.
