Become a Guardian

Join a vital group of like-minded individuals who are committed to ensuring the important work of the Australian Museum (AM) continues as a Guardian of the Australian Museum Foundation. As a Guardian, you will be invited to an exciting program of tailored events including:

- exhibition openings
- private viewings of exhibitions
- behind-the-scenes tours of collections and laboratories
- tailored 'insider briefings' with AM experts and visiting VIP guests
- plus other special events!

Become a Guardian and pledge your support for three years with a tax-deductible donation starting from \$1,000 per annum. This can be paid as a lump sum of \$3,000 for the three years, or by annual instalments with a minimum of \$1,000 per annum over the three-year-period.

About the Australian Museum Foundation

The Australian Museum Foundation raises funds to support projects across the AM, from research and collections to cultural and education programs.

Support from the Foundation has allowed the AM to remain at the forefront of Australian scientific research; to acquire and safely preserve specimens and cultural artefacts for generations to enjoy; to respect and affirm Aboriginal and Torres Strait Islander cultural values, practices and stories; and to offer education programs to young people including those in regional and rural Australia.

Philanthropic support has become an important source of funding to enable the AM to provide programs and services that would otherwise not be possible. As a Guardian your support will help provide funding for vital AM projects.
