## Guardian Program schedule of events

As a member of our Guardian Program, we'd like to invite you to an exciting program of tailored events at the Australian Museum.

Please **save the date** for these upcoming events in 2018. Closer to each event we will be sending further details and a request for your RSVP.

**12 July, 5-7pm.** Behind the scenes: NAIDOC Week Library visit – Uncovering treasures within our Aboriginal & Torres Strait Islander Collection.

**8 August, 5-7pm.** Behind the scenes: Materials Conservation Unit which specialise in the preservation of archaeological and cultural objects, rare books and archives, biology and geology collections.

**24 August, 5-6pm.** Preview of the Australian Geographic Nature Photographer of the Year exhibition where photographers showcase their nature and wildlife photographs from the bioregion of Australia, New Zealand, Antarctica and the New Guinea.

**19 September, 6-8pm.** Australian Museum Foundation donor event with an update about the

AM's exciting new developments while enjoying the treasures of the award-winning Westpac Long Gallery.

**27 September, 5-7pm.** Behind the scenes: Australian Museum Research Institute. Learn about how this team of research scientists, collection scientists and officers, associates, fellows and students are understanding and responding to challenges facing our planet through scientific research and communication.

**19 October, 5-6pm.** Preview our next Summer exhibition – *Whales Tohora*. Explore the amazing world of whales through a unique blend of science and storytelling.

**8 November, 5-7pm.** Behind the scenes: Pacific Spirit. View our latest acquisitions of headdresses, wigs and body masks from Papua New Guinea.

Note: Dates subject to change.
